*Equipment rentals are delivered free between 9:00am and 5:00pm. We cannot deliver your equipment to you if your boat briefing is in progress – please check with your boat charter company at what time they will be giving your briefing and ensure that the equipment delivery time you quote us does not coincide. Each rental comes with a full briefing and a folder containing: dive flag, dive site locator map and GPS coordinates, air fill locator, emergency information, dive computer instructions and more.

Rental Agreement:

I hereby accept the equipment in the condition as is. I have examined the equipment and satisfied myself that it is in good working order. I agree that the use of said equipment is at my own risk. I shall not allow any non-certified divers the use of the rented scuba equipment unless I am a certified and insured scuba instructor and the non-certified diver's use of the scuba equipment has been approved by Underwater Boat Services Ltd. I shall return the equipment in the same working order and I shall be financially liable for any deviation therefrom or loss thereof. Underwater Boat Services Ltd accepts no responsibility for any defect in the equipment and does not warrant that it is suitable for any particular purpose.
